## Comparison Schools

For ACT English

All schools in TVAAS

*The search returned 389 schools*

Average Growth Index (AGI) = 0: On average, the students in this school made growth as expected.

Average Growth Index (AGI) > 0: A larger AGI provides more evidence that, on average, students in this school made more growth than expected.

Average Growth Index (AGI) < 0: The further the AGI is below 0, the more evidence there is that, on average, students in this school made less growth than expected.

| School                                      | District             | Average Growth Index | Quintile |               |          |
